

Platinum Plus – Terms and Conditions

Your cover in detail.

1 THE CONTRACT

This Policy is the contract between **you** and **us**. The Policy consists of:

- The application form and all declarations **you** have provided,
- These Policy Terms and Conditions,
- The cover wordings for each cover **you** have selected shown in the **schedule**,
- The **schedule**,
- Any endorsements to this Policy.

This Policy Terms and Conditions details the terms and conditions applying to the covers included in this Policy and should be read together with the **schedule** and cover wordings.

The **schedule** includes who owns this Policy (**you**), who is insured (**insured person**), the cover(s) for each **insured person**, the cover and options **you** have selected, the amount of cover (**sum assured/monthly benefit**) and other details of **your** Policy.

Each cover has built-in benefits and can have additional options **you** may have selected to include in a cover. If **you** have selected an additional option for an **insured person's** cover the **schedule** will show which additional options apply.

Any endorsements to this policy will show if any special terms and conditions apply to an **insured person's** cover. The special terms and conditions in the **schedule** are in addition to the standard terms and conditions and override anything else in this Policy that is inconsistent with them.

You may request a replacement copy of any of these documents from **us**.

2 FREE LOOK PERIOD

If **you** are not satisfied with this Policy **you** may cancel it by writing to **us** within 14 days of receiving the Welcome Pack, provided no claim is made. **You** will receive a full refund of any premium **you** have paid.

If **you** add a cover to this Policy or increase a **sum assured /monthly benefit** after its **date of commencement** and are not satisfied with the change(s), **you** can reverse the change(s) within 14 days of receiving notification from **us** confirming the change(s) have been made. **We** will refund the additional premium relating to those change(s) as long as no claim has been made.

3 DEFINITIONS

The words shown in **bold** in this Policy have the meanings described in section 10 Definitions and the Definition Section of each cover shown on the **schedule**.

4 CPI OPTION

The **schedule** will show if this CPI Option applies and which **insured person's** cover it applies to.

We will automatically increase an **insured person's sum assured/monthly benefit** on each **policy anniversary**, unless **you** advise **us** otherwise, by the greater of:

- 2%, or
- an amount **we** determine each year based on the **consumer price index**.

We will send **you** a renewal notice before each **policy anniversary** advising **you** of the new **sum assured/monthly benefit** and the new premium. **You** must advise **us** before each **policy anniversary** if **you** do not require that increase. If **you** decline an increase it will not affect future CPI Option increases. Any increases **you** decline are not carried forward to future **policy anniversaries**.

We will adjust the premium to reflect the increased cover **sum assured/monthly benefit**, including any additional premium loading(s) for medical, occupation or pastime reasons that apply to the cover the CPI Option is being applied to.

Where **you** increase an **insured person's** cover within six months before a **policy anniversary**, which includes this CPI Option, the first time **we** will apply the CPI Option to that increase will be on the second **policy anniversary** after that increase **date of commencement**.

You do not need to provide any additional health, occupation or pastimes information for an **insured person** for a CPI Option increase.

5 COVER RENEWABILITY PLEDGE

Each cover will automatically renew at each **policy anniversary** until that cover ends for any reason, provided **you** pay the premium due.

6 PREMIUMS

You must pay the premiums when due.

6.1 Premium payments

- a) **We** will calculate the initial premium for each cover that applies to **your** Policy. **Your** total initial premium payable is calculated from the **insured person's** personal details such as age, gender, smoking status and current state of health. It also includes administration and insurance costs, any benefits or options **you** selected, any discount that may apply, fees and relevant taxes.
- b) **We** may also charge **you** a policy fee.
- c) Unless **we** have agreed in advance that **you** can pay the premium in instalments, **you** must pay the premium before each cover starts and before each **policy anniversary**.
- d) If the premium is payable by instalments, **we** will deduct any instalments overdue from any benefit payments.
- e) **We** allow 35 days of grace after payment of a premium falls due. If **we** do not receive the premium due within the days of grace, **we** will cancel this Policy. **We** will send written notice of this cancellation to **you** at **your** last known address in **our** records. **Our** cancellation is effective regardless of whether **you** receive it.
- f) **We** may reinstate this Policy within one year after the date of the overdue payment if **you** request it and may alter its terms based **our** underwriting assessment and premium rates at the time.

6.2 Change to Premium

We may change the premiums for each cover at a **policy anniversary**. There can be a variety of reasons for **us** doing this. For example **we** can do this because:

- of the age of the **insured person**;
- the law changes affecting the terms and conditions of this Policy or the premium rates;
- **we** increase the **sum assured/monthly benefit** as a result of the CPI Option unless it is declined by **you**; and/or
- **our** claims experience or costs are different from expected.

If **you** choose to increase an **insured person's sum assured/monthly benefit** by exercising a cover's Special Events Increase or **you** apply for an increase in the **sum assured** or **monthly benefit** for an **insured person**, **we** will increase the premiums.

6.2.1 Policy fee

We may change the policy fee for all policies from time to time at a **policy anniversary**. If this happens **we** will give **you** at least 30 days' notice before **we** change the policy fee.

6.3 Premium rate commitment

We will not change **our** premium rates for an individual **insured person** because of a change in health or personal circumstances.

6.4 Premium freeze

You can apply to **us** in writing to freeze your premiums so that they do not increase each year. If **we** freeze your premiums, the **sum assured/monthly benefit** will decrease for each cover every **policy anniversary** from the date the premium is frozen. The decrease will be calculated by **us** using the age of each **insured person** at the policy anniversary.

Conditions

- a) This Policy must have been in place for at least 12 consecutive months.
- b) Each **insured person**, other than an insured **child**, must be over age 30 when this premium freeze is applied.
- c) **Our** minimum premium requirements will apply to the premium.
- d) The CPI Option on all covers will end while **we** are applying this premium freeze
- e) Premium freeze is not available if this Policy or a cover is suspended.

If **we** pay you more than **you** are entitled to under any cover, **you** will be required to repay **us**. If you owe **us** money for any reason, we may take it into account when calculating your benefit payments.

8 TRANSFER OF POLICY OWNERSHIP, TRANSFER OF PAYMENT RIGHTS, NOMINATED BENEFICIARY

8.1 Transfer of policy ownership

You can change one or all of the **policy owners** by completing a Transfer of Policy Ownership form. When **you** do this the previous **policy owner/s** give/s up all rights to the Policy and the new owner/s assume/s all contractual rights and obligations under the Policy.

8.2 Transfer of payment rights

You can transfer **your** rights to receive a benefit under a cover shown on the **schedule** by completing a Transfer of Payments Rights form. The Transferees **you** name in the form is/are the person **you** have instructed **us** to pay based on the latest Transfer of Payments Rights form received by **us**. All **policy owners** must sign the Transfer of Payment Rights form.

The latest Transfer of Payment Rights form **we** have on **our** file will replace any previous Transfer of Payment Rights forms. When **you** transfer payment rights **you** are still a **policy owner** and the insurance contract continues between **you** and **us**.

8.3 Nominated beneficiary

If **your** Policy includes Life Cover **you** can nominate a beneficiary for **us** to pay a Life Cover claim to by completing a Nominated Beneficiary form.

The latest Nominated Beneficiary form **we** have on **our** file will replace any previous Nominated Beneficiary forms. When **you** nominate a beneficiary **you** are still a **policy owner** and the insurance contract continues between **you** and **us**.

8.4 Effective date and obtaining forms

The transfer of policy ownership, transfer of payment rights and nominated beneficiary become effective from the later of the date **you** nominate in the form, or the date **we** register the transfer. **We** must receive the form before the date of an event resulting in a claim.

You can obtain the Transfer of Policy Ownership, Transfer of Payment Rights and Nominated Beneficiary forms by contacting **us**.

9 OTHER TERMS

9.1 Cancellation

(a) **You** may cancel this Policy, or one or more covers, at any time by giving written notice to **us**.

We will cancel this Policy or the cover/s from the later of the date:

- **we** receive **your** request to cancel this Policy, or
- **you** advise **us** to cancel this Policy.

We will refund to **you** any unexpired portion of the premium paid for the cover/s cancelled.

(b) **We** may cancel this Policy if **you** or any **insured person** materially breach it.

9.2 GST

All amounts of money referred to in this Policy include Goods and Services Tax (GST) where applicable.

9.3 Headings

Headings in this Policy are for reference only. They do not form part of this Policy and are not to be used in interpreting it.

9.4 Law

The law of New Zealand applies to this Policy and the New Zealand Courts have exclusive jurisdiction.

We may change this Policy to accommodate any changes in tax or other legislation that affect it. **We** will notify **you** if **we** make changes under this section.

9.5 Separate insurance

Each **insured person** under this Policy is insured separately as though each is issued with a separate policy wording.

A material breach of this Policy by one **insured person** will not affect the cover of other **insured person(s)** if **he** or **she** played no part in the material breach.

9.6 Avoidance of this policy

If **we** can demonstrate that **you** or an **insured person** misrepresented a material fact within section 6 of the Insurance Law Reform Act 1977 or failed to disclose a material fact in any application or other document on the faith of which **we** issued, reinstated or renewed this Policy, **we** will void this Policy and may retain all premiums paid.

9.7 Misstatement of age

If the age of an **insured person** is greater than **you** advised **us** in the application form and as set out in the **schedule**, **we** will recalculate the **sum assured/monthly benefit** that would have been payable had the age been correctly stated. Any claim payment will be based on the recalculated amount. The amount **we** pay **you** will be lower than the amount shown in the **schedule**.

If the **insured person's** age is less than **you** have advised **us**, **we** will refund **you** the overpaid premiums for that **insured person**, less any outstanding premiums.

9.8 Smoker/non-smoker premiums

If **we** have issued a cover using non-smoker premiums, **we** based that on the **insured person's** statement that **he** or **she** has not smoked any form of tobacco, used nicotine replacement (including e-cigarettes) or any other substance in the twelve months before the cover **date of commencement**, or if **we** have changed the premiums from smoker premiums to non-smoker premiums **we** based the change on the **insured person's** statement that **he** or **she** has not smoked any form of tobacco, used nicotine replacement (including e-cigarettes) or any other substance in the twelve months before the date this change was made.

If either of these statements is found to be untrue, then **we** will reduce the **sum insured/monthly benefit** to what would have been purchased by the premiums paid had the **insured person** correctly stated **his** or **her** smoker status. The amount **we** pay **you** will be lower than the amount shown on the **schedule**.

9.9 Policy wording upgrades

We upgrade cover wordings from time to time for new policies. If the wording applied for new Platinum Plus policies at the time of your claim is more favourable for **you** than your original policy wording, then the benefit of the new wording will apply to **your** claim. If the upgrade requires an increase in premiums, this will apply to your **instalment premium** when it is next reviewed.

The more favourable cover wording will only apply if at the effective date of the new wording you were not suffering from a **pre-existing condition**.

9.10 What to expect at each policy anniversary

Before each **policy anniversary** **we** will send **you** a renewal letter setting out the renewal details including the **sum assured/monthly benefit** for each cover and the premium payable. **You** must pay the premiums when due to ensure **your** cover remains in place.

9.11 Making changes to this policy

You can request changes to **your** Policy in writing. In some situations **we** can take **your** instructions to change this Policy over the phone. **Our** customer calls are recorded. Any changes that materially alter this Policy will require the authorisation from all **policy owners**. **We** will let **you** know before **we** make the changes what **we** require from **you**.
